## Social Media Guidelines

If you want to post about the camp on social media and you feel like it, we would love it if you do one, two or all three of the following things.

1. mention @welovemelodies  
@naturpark.almenland @pensionelmer
2. add the location Naturpark Almenland
3. use the hashtags

#family	#songwritingcamp
#almenland	#mitvereinfachtenkräften
#welovemelodies	#voninnennachausen
#creativeminds	#producers
#songwriters	#singers
#songwriting	#musicians

Due to the current situation around Covid-19 we kindly ask you to post only in accordance with the current rules (postings in small groups, sufficient distance between persons ...).

That would help us a lot because we also want to repost your pictures and videos on the accounts of welovemelodies.
